Beware of anyone, including legal professionals or agents, who offers to help you get your payment, especially for a fee. You do not have to be represented by or pay anyone to make a claim, qualify for settlement funds, or receive money. If anyone tries to charge you or says that only they can file your claim, immediately report them to Atticus (at 1-800-972-0275) or to OAG (at 1-212-416-8700).

The OAG has the sole discretion to determine the amount of all settlement payments based on the information provided by Alba.

If you owe money for New York child support or other judgments, these amounts may be subtracted from your award amount. If this is the case, you will receive a notice from the appropriate New York agency. You will have 14 days to respond to that notice.
